What If My Prescription Changes?

Please notify ProAct Pharmacy Services of any changes to any enrolled prescriptions such as dose, directions, or discontinuation of a product to ensure obsolete orders are not automatically filled and shipped. Pharmacy regulations prohibit the return of delivered prescription medications.

What If I Have an Oversupply?

Don't worry! This can happen. If you'd like to temporarily remove your prescription from the program, visit www.proactrx.com and turn off auto-refills under **MANAGE MY PRESCRIPTIONS**. Then, you can decide when you want to order your next refill.

You may opt out of Auto-Refill at any time by managing your Auto-Refill Settings or by calling 1-866-287-9885.

⚠ Please note, some prescriptions, including controlled substances, are excluded from Auto-Refill.
